Pub Date: 2003 Pages: 64 in Publisher: Shanghai People's Fine Arts Publishing House with the institutions of higher learning art (Art and Design) professional constantly additional enrollment in the past decade. students apply each year in expanding. In recent years. more and more parents of candidates through a variety of channels. close to the examination of the final stage of looking to me. hoping to get counseling about design examinations. The face of such desperate parents have been too busy to weary students. as teachers felt helpless and at a loss. the frustration is not good shortcut allows students to design methods and skills in such a short period of time to master. a loss is the the candidates obviously know to test the design. and to think about to learn why to Linkao stage? The results of its examination of the above candidates often: perhaps precisely because of the failure of the design examination led to Mingluosunshan. The most unfortunate thing is that those who have many years painting basic training. good sketch and color skills. as well as some born with good design and creative potential of students. will change the life trajectory of his life because of the failure of the college entrance examination. This phenomenon has a certain universality. combined with my years of marking see the results. I think that the candidates and their parents in the design and design exam following misconceptions: First figure out the design and drawing. the relationship of color. they sketch and color in the first place on the last design. sketching and color master. naturally. will be able to quickly grasp the design. therefore. just a little...
