

Memoir Volume 9, PT. 1 (Paperback)

By Anonymous

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 edition. Excerpt: .is an indication of arrest of development. Localities. Along the shores at Grande Greve and at Perce. Avicula textilis Hall. Palaeontology of New York. 1859. 3:288, pl. 52, fig. 9, lo; pl. 53, fig 2, 3, 5, 7, 10 Pterin ea textilis? Billings Palaeozoic Fossils. 1874. v. 2, pt 1, pl. 4, fig. 1 Mr Billings hesitatingly referred to this species a specimen of which he gave a figure but to which no reference was made in his text. Its association on the plate with Gaspe fossils and the actual occurrence of the species therewith leads to the inference that his specimen was from these limestones. The shell is very abundant here and not to be distinguished from the New York forms occurring in the New Scotland (Helderbergian) fauna, except that by virtue of different preservation the former show more distinctly the character of...

Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

-- *Elva Kemmer*

Undoubtedly, this is actually the greatest job by any author. This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.

-- *Perry Reinger*
