Two In Hand Katie Kendall knew about making two beings operate as one-she participated in two-in-hand combined driving competitions. If she could control two horses in the same harness, then surely two cowboys in the same relationship would be a piece of cake. Right? Daniel Westin had loved Katie when they were both teenagers and confusion over his changing sexuality made him leave her. When he met team roper and stock contractor, James Stanton, Daniel realized his romantic dreams had been realized. Except for one thing, Katie was missing out of their lives. So Daniel invites Katie to a rodeo. Perhaps, if she sees how good he and James work together, she ll remember how good things were between them. And maybe, just maybe, Daniel and James can convince Katie that she can handle them. Two Point Proposition Sydney let her good friend Blake stay at her farm with the self-imposed condition of not acting on her attraction to him. Then she meets Luke, a bisexual cowboy who wants both of them. What s a girl to do, but make a two point proposition?.
