### ***Reviews***

*Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

New Leaf Press (AR), United States, 2006. Hardback. Book Condition: New. 206 x 203 mm. Language: English . Brand New Book. These full-color, hardcover books are chock-full of great information about animals, from black bear to bass. Buddy and Kay Davis, through their love of nature, have written books perfect for Christian education, or just recreational reading. Buddy is on staff with Answers in Genesis and is a world-class dinosaur sculptor, helping create exhibits for the new AiG museum being built near Cincinnati. In each of these three books, a detailed description of 30 animals is given, focusing on habitat, eating habits, and design features. There are also study questions at the end, to test knowledge. Accompanying photographs give the reader a complete perspective. 8 X 8 Casebound 80 pages.
