Or again: Interference with another mans business is illegal; Underselling interferes with another mans business; Therefore underselling is illegal. Here the question turns upon the kind of interference, and it is obvious that underselling is not the kind of interference referred to in the major premise. X 3. The Fallacy of Amphibology. The Fallacy of Amphibology consists in an ambiguous grammatical structure of a sentence, which produces misconception. A celebrated instance occurs in the prophecy of the spirit in Shakespeares Henry VI. : The Duke yet lives that Henry shall depose, which leaves it wholly doubtful whether the Duke shall depose Henry, or Henry the Duke. This prophecy is doubtless an imitation of those which the ancient oracle of Delphi is reported to have uttered; and it seems that this fallacy was a great resource to the oracles who were not confident...
