Executive Intelligence Review; Volume 41, Number 21: Published May 23, 2014 (Paperback)

By Lyndon H Larouche Jr

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Editors: This issue of EIR Online proceeds from Lyndon LaRouche's evaluation, in his May 16 webcast, that we have entered a transitional period, in which Obama is slated to fade from the scene, and the basis for a new era of global prosperity can be established (Feature). Of particular significance in this period, is LaRouche's highlighting of the potential roles of former President Bill Clinton and former Secretary of State Hillary Clinton, especially in light of comments made by the former President in Washington May 14. We recommend that you study this webcast closely for guidance as to how a successful transition can be organized, including LaRouche's four-point program. Several other developments coming together to shape a hopeful future are also featured. Under Economics, we highlight more on the Chinese Silk Road perspective, which now includes the Bering Strait tunnel. Under International, we provide our expert analysis of the Indian elections, which hold promise for further development of Asian economic cooperation. On the U.S. side, Jeffrey Steinberg re-vIEWS the progress of moves to finally...
