By -

Microcosm Publishing, United States, 2016. Paperback. Book Condition: New. 173 x 135 mm. Language: English . Brand New Book. For every successful local group that ever packed the Fillmore, Avalon, or Winterland Ballrooms, there were dozens of overlooked, and much better, groups that also hailed from the City by the Bay. Explore the primitive, rocking rhythm and blues of the fifties, the garage and psych of the sixties, and the seventies punk and new wave scenes with this definitive history of an unsung era. Spanning rock roll s first three decades, these were the bands left out of the history books. This second installment in the Scene History Series is essential reading for music history nuts and record collectors, and mandatory for all Bay Area devotees.
