

Creative Physical Education: Integrating Curriculum Through Innovative PE Projects (Paperback)

By John Quay, Jacqui Peters

Human Kinetics Publishers, United States, 2012. Paperback. Book Condition: New. 246 x 213 mm. Language: English . Brand New Book. Creative Physical Education offers a flexible extended learning experience for children and teens that focuses on physical, cognitive, and interpersonal knowledge and skill development. A combination teacher's guide and student workbook, Creative Physical Education has everything you need, including a CD-ROM of printable and adaptable class materials. Creative Physical Education presents a project framework that you can adapt to fit the needs of your class. Great for physical education teachers looking for a fresh approach, Creative Physical Education also makes an excellent structured project for classroom teachers working with physical education. Creative Physical Education begins with a teacher's guide that details the underlying pedagogical models behind the project. Rather than focusing on one approach, Creative Physical Education integrates a number of pedagogical models and describes how these can be combined to form a creative PE project. This all-in-one resource includes a student workbook with all the worksheets needed for each part of the project. The project worksheets are included on the accompanying CD-ROM and can be modified as needed and printed for use. In addition, homework items offer...

Reviews

The book is fantastic and great. It is filled with wisdom and knowledge I am just easily will get a enjoyment of looking at a composed publication.

-- Bradley Hahn

The publication is easy in read better to understand. It is writer in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

-- Kaya Rippin
