This is best accomplished by the permit system. The supervising authorities can keep in touch with the producer and dealer by means of score cards made out in duplicate, one copy of which must be furnished the producer or dealer to whose establishment it relates, but a discreet supervising officer will wisely supplement these score cards by personal letters in appropriate cases. The office copies of the score cards serve also the useful purpose of enabling any interested citizen to ascertain by visiting the Health Department just how careful his milk man is and the quality of the milk that he supplies. Whether it is or is not desirable to inform each producer and dealer of the results of chemical and bacteriological...
