*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Back from the village streets are great rolling hills with their crests topped with the green of oak and pine and threaded with quiet, shady woodland roads. From these hills one may look down into the twin lakes of Shawme, set like crystal gems in the landscape. Stretching forth from the eastern borders of the town are the marshlands breathing their salty, life-giving flavor. Beyond these are the white sand dunes and the blue sea, dotted with the white sails of fishing boats. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
