No birth announcement could top the headlines from the day Janie and Jack Perkins entered the world. As twins born to a mother in a coma courtesy of a bullet from their father the sensational story of their birth never quite died down. While Jack still craves the flash of a camera, Janie seeks sanctuary behind the lens as a crime scene photographer.Thanks to Janie s line of work, she s comfortable around gruesome murders. But when old photos of her mother s body arrive in the mail, they open deep-seated wounds and raise chilling new questions about who really was responsible for that deadly night.Did Janie s father spend decades in jail as an innocent man? Did an infamous serial killer actually take her mother s life? With photos in hand, Janie brings the truth into focus. But when her investigation ends up evoking the wrath of the long-dormant killer, she must race to piece together the final evidence before she becomes the target.
