Not illustrated. 1915 Excerpt: .is the question the Hillis case, which promises to remain in the public eye for quite a while, is presenting to many people. In his confession Dr. Hillis took the position that he should not--that efforts in that direction were at the cost of Inspiration and Ideals. However, the average fair-minded man is likely to take a less strict view of the matter. It goes without saying that a preacher should not speculate under any circumstances--that he should be unusually scrupulous as to the character of his investments--It is likewise to be taken for granted that the minister should not neglect his sacred calling and that his efforts in other directions conflict with that his duty is to abandon either the pulpit or the business. But, after all, the preacher is often a man with a family to support--a father with children in whose future he...
