Thus, where the cannibalism takes the form of sacrifices offered to gods, it was believed--as recently in Fiji and anciently in Mexico--that if the priests ate the visible human body, ihe gods, by analogy, consumed the intangible soul. Indeed, many systems of human sacrifice in different parts of the world have been based on anthropophagic principles, though no actual eating of the victims flesh may have gentler manners and intellectual refinement have etherealized the idea. Thus it has often occurred in the...
