FADED MIRACLES

AuthorHouse. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Faded Miracles gives an account of a life surrendered to Christ, and sincere devotion to a family. Desiring to know God since childhood, reveals the timing of the Holy Spirit. The overwhelming love for children proves to be the motivating factor for seeking God. The occurrence of a life-changing experience explains the surmounted hunger and thirst after righteousness for the following thirty-nine years (to date). Faded Miracles gives an account of one treading through the barrenness of a serious health encounter. An ovarian cancer survivor for six years, presently confronted with the multitude of symptoms that accompany an incurable liver disorder. This book gives a clear record of a walk through continued wilderness. Documented, life threatening situations dictated previous years. When extended life seems a myth, Jesus whispers that long life is satisfied. Illness continually shout suggestions, and temporal shadows smolder while hoping to detain. In times there has been a minute flicker of despair, but cannot catch one off guard. God's mercy quickly sends a flare of correction. Each time a prayer is directed upward, the Father's heart is pained, bringing instant rescue screaming, with hope again sustained. Let this record show that Jesus shines much brighter than the answers. Trials lose their place in total trusting, as the Holy Spirit hovers gently over to console. Jesus conquered all in His surrender, and no matter the need or provision that merits reward, redeeming love engulfs life. Peace and joy have never been stronger. God's Word is the counsel, and His truth the great physician. Hope can seem so distant, but those are not God's thoughts. Believe anyway. Experience may conflict, but keep on believing. Miracles bow down in all their splendor, as they seem to fade in His presence. Jesus shines much brighter than the answers, resulting in faded miracles. This item ships from multiple locations....
