Every soldier knows the training camps were located not for training purposes, but to bring money to favored communities. Every soldier knows that of the money not deliberately mis-spent, fully one-half was wasted because it was administered by miserable incompetents appointed for political advantage. Every soldier knows what in infinitesimal fraction of wartime expenditures ever reached the, battlefield. Every soldier knows that both his comfort at the rear and his safety on the battlefield were sacrificed. Every soldier knows that he had to depend upon weapons, munitions and supplies obtained from our allies. Every soldier knows that throughout the war his interest was sacrificed to that of the slacker and profiteer. Every soldier knows that the only suggestion of national economy has been to economize at his expense. - Chicago Tribune, May 21, 1920. \*\*\*\*\* From the PUBLISHER'S NOTE. Although told in the form of fiction, the matters of fact related in this little volume are stated correctly. They are from the official records in Washington, D. C. Are you impressed with the facts set forth in this booklet? Don't you think the American people ought to be advised of these facts? Can you think of ten people who ought to read this book?.
