New to traveling distant lands, Deva writes about his journey around the globe. As a conscious lyricist, yoga teacher and permaculture designer, he explores his outer limits while expanding his inner world. Deva ventures out to perform at festivals, host yoga retreats, teach permaculture workshops, and visit ecovillages. What he discovers will enlighten that discovery in you. Peek inside the mind of a young, vivacious spiritual warrior. He shares his bold truth and envisions a new earth. The journey begins in Japan and expands through five continents: Asia, Australia, Europe, and the Americas. Experience the passion, pain, pleasure and poetry of Deva Presence inscribed and in song. Most of my travel was beautifully blessed with hook-ups on rides, food, staying in people's homes and developing divine connections....
