Sentient Publications. Paperback. Book Condition: new. BRAND NEW, 2013: How to Profit from the Prophets in the Coming End of the World, N. Nosirrah, Anyone who agrees that the hype around the 2012 prophecies needs skewering, and who enjoys penetrating wit served up with a healthy dose of enlightened perspective, will find that 2013 is the essential guide to survival and prosperity when the world ends. Whether that end comes through a meteor impact, a viral pandemic, a changing climate, or simply the wrath of God, N Nosirrah offers a brief escape from the overwhelming terror that can come when facing the end of the world. He explores the end times and world monetary collapse with insights that are undaunted by their self-contradictions, witticism that never lets up, and the promise of multi-level marketing. This is a self-help survival manual cum novella for the reality-challenged, explores the place where profit is made, a place found between our world of fiction and the unseen world of truth, and suggests that it is possible to make a fortune, get enlightened, and laugh uproariously when the world ends. If "The Hitchhikers Guide to the Galaxy" took you to the edge, 2013 will push you over.
