

An Essay Concerning Human Understanding

Filesize: 3.57 MB

Reviews

The most effective ebook i possibly read. it was actually writtern quite completely and useful. I am just very happy to tell you that here is the best publication we have read through during my individual daily life and could be he greatest publication for possibly.
(Kennith Nicolas)

AN ESSAY CONCERNING HUMAN UNDERSTANDING

[DOWNLOAD](#)

Paperback. Book Condition: New. Not Signed; Notes and Introduction by Mark G. Spencer, Brock University, Ontario John Locke (1632-1704) was perhaps the most influential English writer of his time. His *Essay concerning Human Understanding* (1690) and *Two Treatises of Government* (1690) weighed heavily on the history of ideas in the eighteenth century, and Locke's works are often - rightly - presented as foundations of the Age of Enlightenment. Both the *Essay* and the *Second Treatise* (by far the more influential of the *Two Treatises*) were widely read by Locke's contemporaries and near contemporaries. His eighteenth-century readers included philosophers, historians and political theorists, but also community and political leaders, engaged laypersons, and others eager to participate in the expanding print culture of the era. His epistemological message that the mind at birth was a blank slate, waiting to be filled, complemented his political message that human beings were free and equal and had the right to create and direct the governments under which they lived. Today, Locke continues to be an accessible author. He provides food for thought to university professors and their students, but has no less to offer the general reader who is eager to enjoy the classics of world literature. book.
