

OCR 21st Century Extended Science A: Revision Guide (Paperback)

By Bob Woodcock, Neil Dixon, Trevor Baker

LETTS EDUCATIONAL, United Kingdom, 2013. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. With clear and concise revision notes that cover everything you'll need to know for the exam, this effective OCR GCSE extended Science revision guide supports active revision for students working at all levels. This title is designed to be used with the Science and Additional Science books to provide full coverage of the three sciences. Providing a student-friendly, uncluttered approach to GCSE revision, this OCR Gateway extended Science A revision guide is suitable for all levels and contains succinct revision notes and practice questions that focus on the core content needed for the exams. Included in this book:

- * revision and practice OCR 21st Century extension units - Biology 7, Chemistry 7 and Physics 7 - for students working towards a triple science qualification
- * clear and concise coverage of all the exam-assessed content
- * quick tests and practice questions throughout to test and reinforce understanding
- * key words and supporting glossary
- * Separate units differentiated by colour and labelling
- * exam-style questions at the end of each unit
- * overview of How Science Works.

Reviews

A high quality pdf and also the typeface used was exciting to see. it absolutely was written really properly and useful. I am quickly could get a delight of looking at a composed pdf.

-- **Justina Kunze**

Comprehensive information for book fans. It is one of the most amazing book i actually have read. Once you begin to read the book, it is extremely difficult to leave it before concluding.
