Baker Publishing Group, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Popular Apologist Corrects the Record on What Christianity Is All About The Christianity our culture rejects may not be true Christianity at all. So many people today believe they have to be good to be accepted by God, or that the Bible is just a list of do s and don ts, or that God is far away and unapproachable. Instead of providing proofs about God and the Bible, in this book Alex provides a reason to want to know Jesus. By sharing his own story of the loneliness and alienation of his youth, Alex taps in to universal fears of rejection and loneliness. We all seek acceptance and purpose--and there s only one solution. Learn how to be anchored in the Truth and security that comes through Christ.
