Brand New Book ***** Print on Demand *****.Excerpt from The Canadian Journal of Medicine and Surgery, Vol. 7: A Journal Published Monthly in the Interest of Medicine and Surgery; January, 1900 A magnum opus of this description has a great advantage over the Encyclopaedia Britannica, in that it is all on one subject, while in the Encyclopaedia the enchanted reader is constantly vexed by being wrenched here and there from one subject to another. The dream of Casper Neumann was to write on through eternity on the one subject with the same circle of readers patiently following him in s cula s culorum. To writers of this class the history of medicine offered a field of satisfactory vastness, and presently, through the sombre penumbra cast by the subject into the limitless spaces of oblivion, a gloomy constellation of German literary men began to heavily move in slow circles. A Little work on the history of medicine had, it is true, already been published in England by Dr. Freind, who, it will be remembered was the same Freind who was imprisoned by Walpole for making some unseemly remarks in the House of Parliament about a bishop; and released at the instigation of the great Dr. Mead, to whom Martyn, the old professor of botany, dedicated his edition of Virgil s Georgics, a work replete with notes and marginaliae, of which every other paragraph has some admiring reference to Dr. Mead s private library. Dr. Mead was not only a man of literary culture, however, but also a man of action; and though Freind was a foe in the lists of science, he was after all a physician, and as the professional blood was then, as...
