Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Cruise of the Dazzler is an early novel by Jack London, set in his home city of San Francisco. It is considered a boy's adventure novel. In the novel, Joe Bronson, dissatisfied with his dull life at school, runs away and joins the crew of a sloop he sees in San Francisco Bay. He finds the captain is involved in criminal activities. The nautical activities on board a sailing boat are authentically described, and there are convincing descriptions of boats enduring stormy weather at sea. Joe Bronson, instead of studying for a school exam, goes out kite-flying with his school friends; on their way back he gets involved in fights with gang members in a poor part of the city. After he fails the exam the next day, he walks out of school and takes a ferry across the bay to Oakland. Looking at the boats on the wharf, he imagines the exciting life on a boat. His father, a businessman, has a liberal attitude to his son; but, critical of his recent behavior and poor school report, tells him that he might send him to a military academy. Joe later leaves a farewell note for his family; returning to Oakland, he joins the crew of a sloop, the Dazzler. The captain Pete Le Maire is known as French Pete, and the one other crew member is Frisco Kid, a boy of about Joe's age.
