She has released three studio albums, six singles and one compilation album, in addition to six music videos on record labels Def Jam Recordings and Island Records. Milian's self-titled debut album was released in 2001, and features the singles 'AM to PM' and 'When You Look at Me'; both peaked in the top three on the UK Singles Chart. The singer's second studio album, It's About Time (2004), provided her first major US hit 'Dip It Low'. The single peaked at number two in the UK and number five in the US, and was certified Gold by the RIAA for digital sales. Milian's third studio album, So Amazin' (2006), produced only one single, 'Say I'. A month after the release of So Amazin', Milian's representative confirmed that she had left the Island Def Jam record label due to 'creative differences'. After leaving Def Jam, Milian released her first compilation album, entitled The Best of Christina Milian in 2006. Milian signed with Interscope Records in 2009, through which she will release her album, Elope. 120 pp. Englisch.
