Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the companion product to GAO-07-413 This document presents selected results of GAO's survey of the departments of transportation (DOT) in 50 states and the District of Columbia to obtain information on the extent to which states have implemented practices to make roads safer for older drivers. The questions in our survey were posed to obtain information on the extent to which states have incorporated Federal Highway Administration (FHWA) recommendations to design roads with features to enhance safety for older drivers, reasons for state DOTs rejecting FHWA recommendations, the proportion of practitioners that have been trained in state DOTs to implement FHWA recommendations, and the extent to which states have developed plans and programmed projects for older driver safety. The survey was e-mailed to DOT officials in all 50 states and the District of Columbia, and we obtained a response from each of the survey recipients. We do not include responses for all survey questions. Specifically, this document does not include narrative responses that we received. Additionally, this document does not contain responses to questions 4...
