Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.About Talisman Talisman is a supernatural fantasy that spans five millennia, traveling through space and time. It ranges from the age of the Pharaohs to the present day. An intense story of love and hate; power and captivity. A fast paced visual story of lovers and monsters. Can the Earth be saved from selfishness of despots without the help of superior beings? The power line stretches from the Pyramids in Egypt across the Universe to the Pillars of Creation. The first book in the Maelstrom Series. You are truly, temptress of my desires, said the Pharaoh The Pharaoh fell asleep in Sheba s arms. The Pharaoh woke up in a different frame of mind. Even the torch reminds me of the Talisman. You don t think he can possess the torch because it is made from his bandages? asked Jenny, shivering. She couldn t look at the dangling skeletons poised to jump. She couldn t look at the sea of scarab beetles moving like a tide around her feet. Jenny focused on Harry.
